

We are happy to report that Gigaclear have renewed our contract and will be supplying Broadband to our community Hub free of charge again this year.

There have been many dogs on show in the village over the years, however this year was the first gathering completely dedicated to our canine friends. Joining forces with Widdington Guides proved to be a great decision. The kids' corner offered a variety of activities including paw print tattoos and “

guess the number of treats in the jar”. The guides also helped the 3 judges, James Upton, Alex Rhodes and JJ

Whalley choose winners and runners up in each category. Our thanks go to Tom and all the team at the Fleur de Lys Pub for the use of their field and providing some

delicious ice cream. “Pupadoodle PicknMix”

were extremely generous offering us an amazing Raffle prize. All the photos of the day are available on our website widdingtonvillagehall.org.uk

We have updated and simplified our booking system. Do send a message to Tessa on our new mobile number 07895 060446, or email info@widdingtonvillagehall.org.uk

You should have received a renewal form to join the 200 club, a fun way to help run the village hall. Half the money raised is spent on the hall, the other makes up prizes. The winners are drawn each month, with some extra Bonus prizes in December. Good luck to you all.
