

The last time the floor was sanded was August 2011, let's hope we get another 15 years out of the new floor. The floor is of great quality and thickness thanks to the original team who chose the specifications for the Hall. We decided to draw the Badminton lines again as there is a very active private club playing Badminton weekly. The nets are available for anyone wishing to hire the hall. We added Pickleball kitchen lines as we are hoping more and more people choose to play in the hall. The netball lines have been sanded away as we had no demand for that particular sport. However if villagers want to set up a club and need any kind of lines, we are more than happy to oblige.

New Pickle ball lines to go with Badminton lines. New rubber feet on our chairs...look after the newly polished floor please.

The“ Mo Pluck Widdington Petanque Competition” took place on the 5th of July. Mo and the BouleDozer team always joined in the spirit of the event and I could always count on him to field a team. As the old shield needed replacing I felt it was the right time to rename the competition after Mo, a wonderful man whom I miss on the pétanque court.

This year the “Boules Brothers” were victorious. Unfortunately they could not wear their sunglasses inside the Barn to complete the look. Thank you to all the captains and their teams who took part this year. Your contribution to the village Hall funds is greatly appreciated. Everyone is welcome to play, just text us.

“ The Boules Brothers” this year’s winners of the Mo Pluck Widdington Petanque Competition

We have decided to make the most of the Parish Council's Sport day on September 5th. Hopefully you have found a category to enter in this year's Flower and Produce Show. Bring your entries on the morning and find out what you have won before walking over to the Pub Field for some Fun. All the information can be found on the leaflets we have delivered, twice by time you read this, and on the village Hall website.

Remember as well as hiring the hall's 2 rooms we also hire wine glasses, flutes, tumblers, bowls and plates. The chairs

Last time we had a produce show in the Village Hall was a great success. Who will follow in Clarissa's footsteps?

may not be the prettiest however the large tables can be very useful.
