

Widdington Village Hall is constantly on the lookout for great ideas to bring our community together, so we jumped at the chance when Tessa offered to organize a Barn Dance. Who knew Widdingtonians love to dress up as cowboys and cowgirls? It was fabulous to hear the Hall bursting with live music and laughter. The band were so impressed with our enthusiasm that they kept going long after the original 10.30 finish time. All our heartfelt thanks go to Tessa and her organising subcommittee. We are also extremely grateful to everyone who supports our fundraising events. Yeeeee-Haaaa

Your Village Hall Committee would also like to thank all residents who joined the 200Club, have donated money to us, whether it be monthly, ad hoc or one-off amounts, they are all incredibly important to help with the ongoing maintenance costs for work that needs to be undertaken. In 2023/24 we registered with HMRC to claim gift aid and this enabled us to receive an additional £1,941.25, which was fantastic. We are also now registered with the Charities Aid Foundation (CAF) so donations can be made through them.

I hope you all agree that the Hall is looking good for its 25th birthday. Look out for the invitation to this year's AGM, it will be posted on the green, on our Facebook and Instagram accounts. We would love to see you all there!
