What looks like our new logo is in fact an additional one to remind Widdington to lower its Carbon emissions. With it came a cheque for just under £ 8,000 which will enable us to install new double-glazed windows in the old part of the Hall in June. However, we can all play a part in reducing our Carbon footprint. Ask

yourself do I really need all the lights on in the Hall when I am in there? Could one set of uplighters be turned off? Hopefully we will switch to low energy lights very soon, until then it's all up to you!

Thank you all who came on March the 9<sup>th</sup> to enjoy the Village Italian evening. We can always count on Duncan and his friends without whom there would be no great Hall in Widdington. Thank you, Duncan and Co, we owe you so much. My thanks also go to Jane Horton for her wisdom and her crockery. However, the title for volunteers of the month has to go to Linda and Mike Passfield for sorting out the Singers and the delicious food on the night. My apologies go to all those who wanted to stay and chat after the meal. I realise the music was too loud. We live and learn.

To all those who don't like Cannelloni, I hope we can entice you to attend our next event, a Barn Dance next November. If not, why don't you get in touch with some better suggestions? It's your Hall and your call.

The next Petanque competition will be held on the 8<sup>th</sup> of September. If you would like to captain a team (of 3 players over 18 from at least 2 households in Widdington) then please email me at [maggswebb@btinternet.com](mailto:maggswebb@btinternet.com)
